

MUSHROOM PICKING EXCURSIONS AT LAHTELA FARM

Departure point: Lahtela farm or elsewhere by agreement

Duration: approx. 1.5-2 hours, distance 3-5 kilometres

Programme: Walk through the surrounding forests with a local guide as you search for and pick morels (appear in May) and chantarelle, black trumpet, tooth and bolete mushrooms (July to September). Participants get to keep the mushrooms they pick, and the guide will explain how to prepare the mushrooms.

In case of rain: Excursions are generally made in dry weather, but light rain is not a hindrance. In case of uncertain weather, contact Lahtela Farm on the same day to ensure that the excursion is possible.

Number of participants: 1-6 persons

Price: 45 euros per cottage (1-6 persons)

Clothing and snacks: Participants should dress appropriately for warm conditions and use warm and water-resistant footwear. Participants should also pack their own snacks and drinks with them.

Requirements: Normal physical condition required. Not appropriate for those whose movement is impaired.

Languages: Finnish and English

Registration: No later than 9pm on the preceding day
